

Group Work Instructions — Common Problems Working with Indicators

PEMPAL Workshop

25 June 2014

PEFA Secretariat

Essentials of Indicator Scoring

- Ensure appropriate institutional coverage & period (*Guidance on Evidence*)
- Match ground reality (as evidenced) with minimum requirements at each rating level (*BlueBook & Clarifications*)
- Assign highest rating at which **ALL** requirements are met
- Combine dimension ratings into overall indicator rating (M1 or M2)

Required

Individually: Spend 5 minutes to read mini-cases

- a) judge if the information is sufficient
- b) assess the score for the indicator

Group: Spend 10 minutes to come to a consensus on the cases you are assigned
