

# COMMUNITY ENABLING GROUPS

## IACOP Experience

Arman Vatyan & Diana Grosu-Axenti, WB

Cross-COP meeting

Moscow - May 2013

Public Expenditure Management  
Peer Assisted Learning

## What are enabling groups?

- Organize and maintain a successful community
- Provide leadership and collect feedback
- Facilitate learning process and communication
- Build and strengthen membership

Public Expenditure Management  
Peer Assisted Learning

## Three enabling groups

- ✓ **Agenda activists:** identify new topics
- ✓ **Quality friends:** identify strong&weak points  
improving for future
- ✓ **Social reporters:** collect shared memories from  
social events

## Agenda activists

What will we change in our community activities once we have learned more?

- ✓ Detect trend of interests
- ✓ Propose topics for next events
- ✓ How this event will influence your CoP agenda?

A reflection of how your CoP intends to develop the theme of T&A in its activities in the next year

## Quality friends

What's working at this meeting and what's not?

- ✓ Activities with most value
- ✓ What to do better?
- ✓ Are we hearing voices?

Strong and weak points of the event

## Social reporters

Creative people who collect memory of the highlights of this event

and preserving the spirit of the teamwork

Shared memory of the event

## Inviting volunteers
