

Asset Thematic Working Group

Agenda

- Discussion on Georgian Experience
- Presentation on specific issues based on Australian experience
- General discussion on how to develop a policy guideline
- Updating of the action Plan

Resources

Identified by the Thematic Group

- Kazakhstan guide – practical issues for public accounting and reporting on an accrual basis
 - Conceptual framework
 - CoA explanation including differences between cash and accrual
 - Took a case study of two accounting entities
 - For every standard we also provide examples to show how it works (implemented 32 standards)
- Russian Standards and common terms
- Georgia – report
- Croatia policy guidelines
- Survey – results from TCOP countries
- Study guide 14 - IPSAS

What we will do next

- Finalise analyse of questionnaire
- Review country material
- Prepare brief outline (skeleton) on a generic policy document for TCOP countries including sending table of classes to countries for review
- Video Conference in April to discuss
- Turkey study tour to be rescheduled
