Ensuring the interconnection with other national IT systems

Ministry of finance

## Legislative measures

*Law no. 296/2023 regarding some fiscal-budgetary measures to ensure Romania's long-term financial sustainability*

Between September and October 2023, the Government adopted a series of normative acts that introduced budgetary measures, as follows:

*GEO no. 73/September 14, 2023 regarding some budgetary measures;*

*GEO no. 74/September 20, 2023 for the amendment of paragraph (4) of Article 4 from Law no. 227/2015 regarding the Fiscal Code;*

*GEO no. 78/September 28, 2023 to supplement the GEO no. 73/2023 regarding some budgetary measures, as well as some measures to improve the absorption of European Funds;*

*GEO no. 90/October 27, 2023 for the approval of some measures to reduce the 2023 budget expenditures in order to comply with the budget deficit target assumed in the Convergence Programme, as well as for the modification and completion of some normative acts.*
