Arrangement of medical examinations before entering the service

I propose streamlining the system of pre-employment medical examinations, as the existing regulation seems irrational and illogical. Currently, an individual must undergo a new medical examination every time they change employers, regardless of the time proximity between jobs....

Abolition of all exceptional pensions and pension supplements

The abolition of all exceptional pensions and pension supplements is necessary, because every activity under capitalism is usually adequately rewarded at the time of its creation. For example, top athletes also earn exceptional incomes (they also work in tax havens), MPs are already in...

Punishing suppliers who sell objectionable food products

Recently, we have been reading a lot about various recalls of food products and foods that are not appropriate under European and/or Slovenian legislation and are therefore not suitable for consumption. It is not apparent from these recalls that the supplier was responsible for non-compliance with the law (and health...

Расширение общественного участия через платформу e-Democracy

- Предоставление доступа к проектам законодательных актов
- Облегчение прямой коммуникации с властями
- Руководство по законодательным процессам
- Воздействие
- Часть более широкого подхода

The image shows a screenshot of the e-Democracy platform. At the top, there is a search bar with the text "e.g. vehicle registration, registration of temporary residence, ticket, scholarship...". Below the search bar, there is a navigation menu with "Home" and "E-democracy". The main content area is titled "STATE AND SOCIETY E-DEMOCRACY" and contains the text "Cooperation and consideration of different opinions is the basis of democracy." Below this, there are three columns of text: "Proposals for regulations", "About democratic processes", and "Contact Elected Representatives".

Below the text, there is a form for submitting a comment. The form has a label "KOMENTAR, VPIŠITE KOMENTAR PREDLOGA PREDPISA *" and a text input field. Below the input field, there is a "naslov" label and a text input field containing "ASLOV".

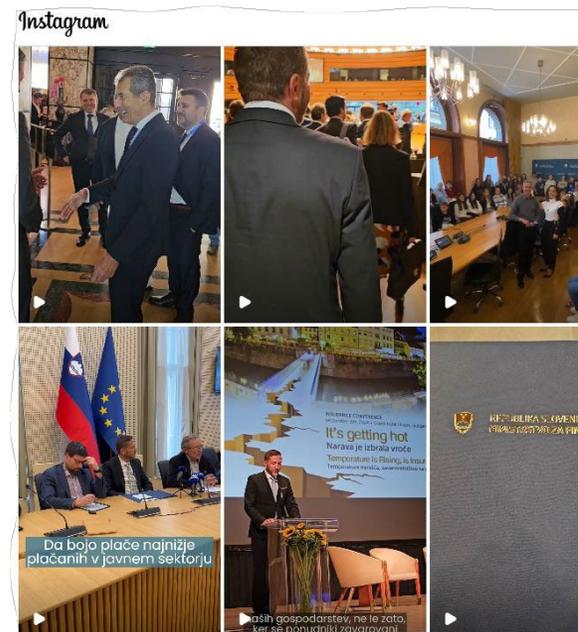

Below the form, there is a table of legislative proposals. The table has two columns: "Datum" and "Predlog".
